Mini Pendant

Nostalgic for a bygone era, the Travers Collection may have a simple form, but creates a dramatic style. The rustic, industrial inspired design features simple lamps enclosed in Clear Frosted Artisan Glass. The clear glass is complemented by a smooth, hand-painted black finish. An extra-large glass shade houses a medium base bulb offering an ample supply of light. These transitional fixtures work well with a variety of decors. This mini pendant provides soft task lighting, fully illuminating a kitchen bar or countertop. It can be used individually or arrayed as a set.
